#### - Party Packages

Sequoia at Rubylo is available for exclusive hire for up to 200 guests on Monday to Thursday only. This year we are operating with a minimum bar spend.

This changes based on which day you choose. So a Monday for example is less expensive than a Thursday. Of course, dependent on what you would like to provide you may set your budget at any level above this minimum.

The minimum spend is for drinks and food. Once we have agreed your minimum spend, we can allocate this between food and drinks.

#### - Drinks.

You can decide what types of drinks should be made available. So, if you would like to make your money go further by limiting drinks to house spirits, wine and beer for example, you can. Alternatively, if you want to splash out on a champagne reception and cocktails, it is your choice.

#### - Party Food

At sequoia at rubylo we can cater for up to your 200 guests. Again, how we do this depends on how you want to allocate your minimum spend or your budget. Please see the following page for a sample canapé menu.

#### - Fun party options.

People like different things, so please let us know what you want. From a sophisticated Bond Themed Casino evening to a cocktail fuelled cracker of a party.

Please call the bar manager who will obtain a quote based on the number of guests and the date of your party. Because we out source these options we will need advance notice.

Casino Royale: This venue makes an ideal casino venue. Use fake money to play for prizes with roulette poker and blackjack.

Magicians: Add that extra intrigue to your party.

It is our job to make your party exactly how you want and to take the stress away from you. Wherever possible we will tailor the venue to meet your needs.

If you require any further information please do not hesitate to call the venue manager on 0207 4863671.
